

Introducing the new driver app

HOME SCREEN

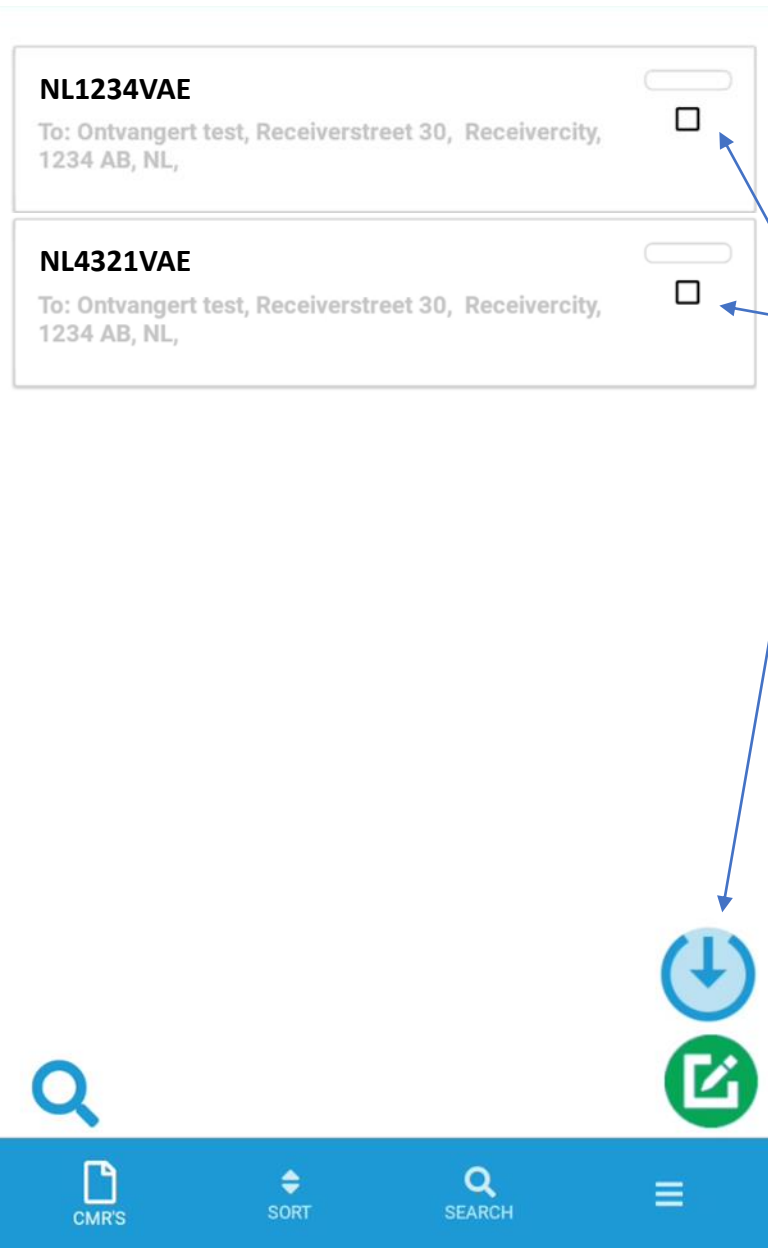

e-CMR's assigned to a driver are visible in the home screen. These e-CMR's are ready for signing. The progress bar turns greener when shipper, driver and receiver sign the e-CMR.

The e-CMR will disappear from the home screen when it is signed by the receiver. This e-CMR is still available and can be found via the search button.

Signing multiple e-CMR's

e-CMR's with the same signing status and signing addresses can be selected in one go. Select the check boxes + click the green signing button to start the signing process for multiple e-CMR's.

SEARCH SCREEN, assigning e-CMR's to driver

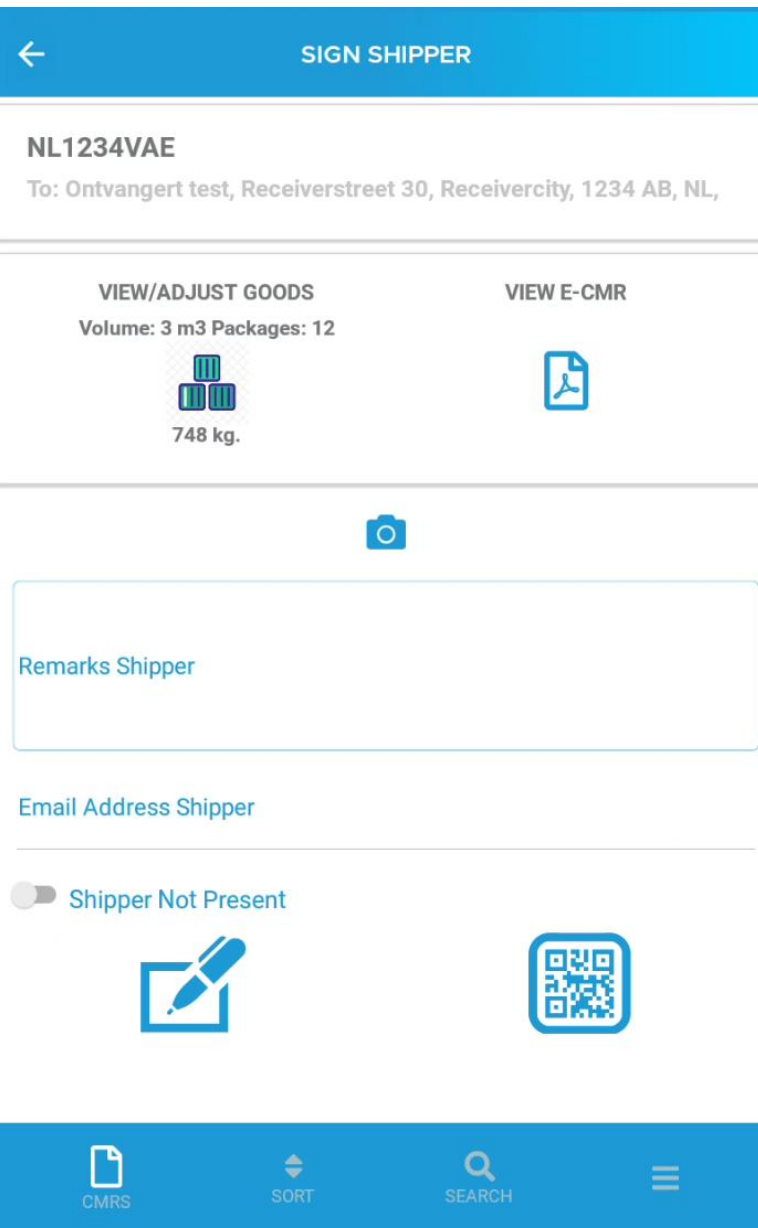

Via SEARCH it is possible to search on:

TRIP ID: all unassigned e-CMR's for the trip are shown

E-CMR code: exact search for a specific e-CMR

By clicking the checkbox(es) and blue assign button the e-CMR('s) are assigned to the driver.

SIGNING SCREEN

By clicking on an e-CMR (in HOME) you navigate to the signing screen.

Goods inspection:

- Preview PDF function. The e-CMR is shown in pdf via the icon. The PDF is updated for changes **after** signing of the driver and/or receiver.
- Adjust/change goods. Goods can be viewed/changed via the VIEW/ADJUST GOODS icon

Signing options:

- Not present
- Sign on glass
- QR code. QR code signing is only possible when a QR code is registered for the user on the specific address.

VIEW / ADJUST GOODS SCREEN

The screenshot displays the 'e-CMR' application interface. At the top, there is a blue header with a close icon (X) and the text 'e-CMR'. Below the header, the shipment reference 'NL1234VAE' is shown with a toggle switch to its right. The recipient address is listed as 'To: Ontvangert test, Receiverstreet 30, Receivercity, 1234 AB, NL,'. The interface is divided into three main sections: 'Goods 1', 'Containers 1', and 'Return goods 0'. Each section has a plus icon and a QR code icon. The 'Goods 1' section shows details for 'Nature: Almonds, Nr. packages: 12, Weight: 748 kg' with a minus icon and a pencil icon. The 'Containers 1' section shows details for 'Container number: sk486587, Seal Number: LR48798' with a minus icon and a pencil icon. The 'Return goods 0' section has a green circular icon with a pencil and a checkmark. At the bottom, there is a blue navigation bar with icons for 'CMRS', 'SORT', 'SEARCH', and a menu icon.

GOODS/CONTAINERS/RETURN GOODS

Goods details can be unfolded via the arrow

Changes can be made by clicking on the pencil

To add new lines click on the + icon

It is not possible to change goods and container lines when the e-CMR was signed by the shipper.

Return goods will be locked after signing by the receiver
